**Ayman Shaikh**

Graphics Memory Hub  
Developer Intern at AMD

February 12, 2019, Ayman was a client of Jason's

Jason's genuine guidance and belief in the value of mentorship truly shines as one of his greatest assets. I had the pleasure of consulting with him and learning from his experiences in the industry, understanding how I can bring value and success via my contributions to teams and application processes alike. He provided detailed analyses and constructive feedback - proving himself extremely knowledgeable in his areas of interest. Easy to reach, and agile in communication, it was a pleasure to interact with, and learn from Jason! [See less](#)
